

Lubricate or Degrease

Delivers up to 15 gallons per hour

**Conforms to
 MIL-O-14559C**

The Guardair 83SG Pneumatic Oil Spray Gun is manufactured in accordance with this U.S. military specification, ensuring consistent performance, durability, and quality standards for professional and industrial use.

83SG Pneumatic Oil Spray Gun

Perfect for lubricating automobiles, trucks, construction equipment, and machinery, the 83SG Pneumatic Oil Gun delivers up to 15 gallons of liquid per hour. 12" extension reaches inaccessible locations while the adjustable nozzle tip controls flow and spray pattern. Precision air volume control ensures spray repeatability. One quart steel canister screws into gun body. Classic+ pistol-grip style handle provides maximum user comfort.

- 9 CFM Compressed Air Usage
- 2 HP Minimum Compressor Size
- 1 Quart Screw-On Container
