

Spray More Work Smarter

Delivers 16 gallons of liquid per hour

Mighty Spray

Engineered to spray various liquids such as oils, solvents, insecticides, and coatings.

Syphon Spray Gun

Designed for heavy-duty use, the versatile Syphon Gun is ideal for spraying oils, solvents, insecticides, and coatings. Powerful syphon delivers up to 16 gallons of liquid per hour. Features extension for spraying hard-to-reach locations. Adjustable nozzle tip controls flow and spray pattern. Classic+ pistol-grip style handle provides maximum user comfort.

Please note a replacement nozzle is available for purchase but the barrel is permanently attached to the body of the gun and is not repairable.

- 9 CFM Compressed Air Usage
- 2 HP Minimum Compressor Size
- 16 GPH Syphon Flow Rate
